Mobile Platform Development

Hand Back Midterms

Project 2 Q&A

More Navigation & SwiftData

Dr. Stephen W. Liddle

782 TNRB, office hours Tu 9:30–10:30am, Th 2–3pm

is543@byu.edu

801-422-8792 (rings on my cell)

Zoom: <https://bit.ly/liddlezoom>

Today

- Return midterms to you
See scores on Learning Suite
- Project 2 Q&A
- Assign HW 9

Today's Forum

• W. Bradford Wilcox

Professor of Sociology
University of Virginia

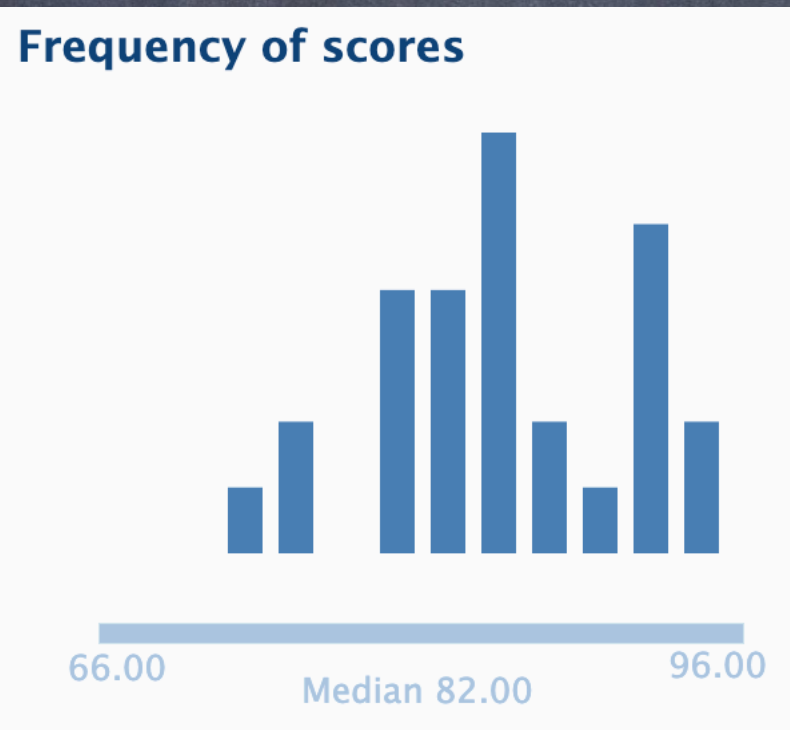

Director of the National Marriage Project

"Mammon or Marriage?
How to Maximize Happiness in Life and Love"

Hand Back Midterms

- Let's hand back your midterms
This time, you come to me (in alphabetical order)
- Descriptive statistics:

Statistics

Number of students	28
Maximum Score	72
Students Below Low Score Flag	0
Mean (average)	61.8 (82.40%)
Standard Deviation	6.37 (8.49%)
Low score	49.5 (66.00%)
Quartile 1 Score	57.5 (76.67%)
Median Score (Q2)	61.5 (82.00%)
Quartile 3 Score (Q3)	67.5 (90.00%)
High Score (Q4)	72 (96.00%)

Today's Topics

- General Project 2 Q&A
- Questions about the videos I posted after last class period
E.g., do you understand “size classes”?
- Using NavigationSplitView effectively
- SwiftData
We saw CR_D in the video demo
Did you figure out how to do U (updates)?

HW 9

- HW 9 is due a week from today

Get a rough prototype of your app's UI put together in SwiftUI. You won't have everything there, but show that you have navigation to most of the main UI features and that your app runs on iPad and iPhone devices. Upload two files: (1) a zip file of your project and (2) a PDF that shows screenshots of the main elements of your UI in both iPhone and iPad configurations.

Coming Up...

- Next class period is via Zoom
I'll be out of town with three of my grandkids this week
Rather than office hours, use Slack for questions
- You can join Zoom either remotely or in the classroom
I will need someone who is in the classroom to sign in to the console and join the Zoom meeting
- Thursday will be an important class period too, even though it's Zoom
